Supplementary Meeting Comments:

Trainer Roger Bloomfield presented Slick Nick to Stewards at Shepparton today after the weight recorded at the greyhound's first start at Healesville on 7/7/24 appeared to be erroneously recorded. As this was Slick Nick's first start, that matter could only be resolved satisfactorily by checking the greyhound's actual weight, as no history of recorded weights was available. After being identified and weighed on-site, it established that the weight recorded at the greyhound's first start may have been incorrectly recorded, and it would be unreasonable to not rectify the matter. Under the provisions of GAR 100(1), the Stewards deemed it necessary to make such order that 34.4kg will be officially recorded as the correct weight at Slick Nick's first start at Healesville on 7/7/24.
