Speedy Bear underwent a post-race veterinary examination – no apparent injury was reported.</p> <p>Mr. Eddie Lieshout presented Parumba Jackson to Stewards post-race after the weight recorded at kennelling appeared to be erroneously recorded. As this was Parumba Jackson's first start, that matter could only be resolved satisfactorily by checking the greyhound's actual weight, as no history of recorded weights were available. After being identified and weighed on-site, it clearly established that the weight recorded at kennelling could not possibly have been correct, and it would be entirely unreasonable to not rectify the matter. Under the provisions of GAR 100(1), the Stewards deemed it necessary to make such order that 34.5kg will be officially recorded as the correct weight at today's meeting.</p>
