Stewards held the All Clear after the lids of the starting boxes appeared to partially open prior to the lure activating the trip start. Review of the footage showed that Magic Miley had placed at least one of its front feet on the blue mat in front of the starting boxes prior to the start of the race, indicating that the starting boxes had malfunctioned. After reviewing all available footage and acting on their observations, Stewards were not comfortably satisfied that the incident had no effect on the outcome of the race. Further, Stewards were not comfortably satisfied that all greyhounds were afforded a fair start. As such, pursuant to GAR 110, the event was declared a 'No Race'. All bets are to be refunded. The weights recorded for the greyhounds are void and do not count for the purposes of the weight rule at the greyhounds' next start. The event was then abandoned, with prizemoney to be split evenly between the greyhounds that competed.
