Supplementary Report – Sale Race 5, 16 October 2016.

Stewards have concluded an inquiry into the circumstances surrounding the nominations and subsequent scratchings of the greyhounds Where's Dex Star and Carve from Race 5, The Monacellars Mixed 4/5, from the Sale race meeting on Sunday 16 October 2016.

Evidence was taken on that day from Mr. Clint Capuano representing Ms. Chloe Dew, the registered trainer of Where's Dex Star and Carve. On Monday 17 October 2016 evidence was taken from Ms. Dew and further evidence was taken from Mr. Capuano.

A veterinary examination by GRV Veterinary Inspection Officer Dr. A James on Monday 17 October 2016 revealed Where's Dex Star was suffering an injury to its right hock. A veterinary examination on Friday 21 October 2016 revealed Carve was suffering from an acute injury in the left triangle muscle. These injuries were consistent with the reasons the greyhounds were withdrawn from the Sale event.

In all the circumstances, no action was taken, however Ms. Dew was advised that future nominations and runners would be monitored to ensure compliance with the Greyhound Racing Victoria Grading Guidelines.

At this time the matter is closed unless any further evidence is received. The Stewards reserve the right to reopen the inquiry.
