Meeting comments:-

Track Curator Mr. Andrew Inger advised Stewards that the track was deeply harrowed on Wednesday 13/09/17.

Following Race 2 Stewards conducted a track inspection after heavy rain fell just prior to and during race 2 (noting that there had been significant rainfall in the area in the past 48 hours). Stewards were not satisfied with the consistency of the track surface. After consulting with the track and club manager and liaising with the Veterinary Surgeon, Stewards decided at 7.55pm that it was in the best interest of the greyhounds to abandon the meeting.
