Stewards spoke to Ms Anita Courts with regard to the form reversal of High Water in winning this event. Ms Courts indicated that High Water performed above the kennels expectations, that nothing had materially changed in High Water's preparation to race and the kennel did not support or back her for this race. In reality, today's improved performance could not be reasonably explained. It is noted however that High Water jumped better and did not encounter any interference in running, which is an observation rather than an explanation, and these are inevitably factors which assist in positive performances for any greyhound. A urine sample was taken pre-race.
