Stewards questioned Mr J Galea, representing trainer Mr R. Galea in regards to the step up in distance to 600m for Main One tonight after the greyhounds most recent starts had been over sprint distances. Mr Galea explained that the greyhound had been coursing recently in addition to racing and that he was of the opinion that Main One would be able to run the 600m distance with clear running. Mr Galea further added that at the greyhounds two previous starts over 600m, Main One had suffered significant interference resulting in the greyhound being unplaced at those runs. Stewards noted the explanation of Mr Galea and directed that a pre race sample be taken from the greyhound.
