**Track condition:** Slow  
**Officials for Meeting**  
**Steward in Charge:** G. Dimsey  
**Stewards:** J.Rea, S.Bettess, B.Blood  
**Judges:** C. Hon  
**Lure Drivers:** D. Kierl  
**Starter:** R. Phillips  
**Kennel Supervisor:** D. Jones  
**Kennel Attendants:** R. Raven  
**Veterinarian:** Dr.R Page

<p style="text-align: center;"><b>Race 1</b></p> <p>A1 SIGNAGE - MAX. 6 DOGS          6:58 pm          390m          Maiden</p>	<p>Supplementary Report:</p> <p>Stewards have now finalised an inquiry into the circumstances of the kennelling of Lektra Caution at Ballarat on 30 January 2019. Evidence was initially taken from Mr George Dailly on the day and then subsequently from the Trainer of Lektra Caution, Mrs Andrea Dailly. Mrs Dailly accepted the responsibility for failing to comply with a policy adopted by the Controlling Body (GRV Hot Weather Policy) in that Lektra Caution was kennelled wearing a Barking Muzzle, which is fully prohibited at heat effected race meetings. Mrs Dailly acknowledged the offence and accepted a fine of \$250 as penalty. The Stewards would like to remind all participants that the requirements of the Hot Weather and Transport Policies are non-negotiable and sanctions will apply for non-compliance issues. Save for Lektra Caution being passed fit to race, the sanction/fine would be manifestly higher.</p> <p>On Tuesday 5th February 2019, Trainer Keith Lloyd advised that Cavalry Rose who had raced at Ballarat 4th February 2019, had sustained the following injuries, soreness in the monkey muscle, chest muscle &amp; strain in the back muscle.</p> <p>Due to rainfall during kennelling, Stewards walked the track prior to this event and were satisfied the track surface was suitable for racing.</p> <p>Twisted Whisker was slow to begin.</p> <p>Blue Addition, Stoikos and Whitehart Magic collided approaching the first turn, checking Stoikos. Cherokee Fawn checked off Stoikos on the first turn. Whitehart Magic, Blue Addition and Bush Bro collided on the first turn, checking Stoikos and severely checking Blue Addition. Twisted Whisker, Blue Addition and Stoikos collided approaching the home turn. Blue Addition checked off Stoikos on the home turn, colliding with Cherokee Fawn.</p> <p>A sample was taken from Whitehart Magic - the winner of the event.</p> <p>Blue Addition was vetted following the event. It was reported that there was no apparent injury found.</p>
---------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

<p style="text-align: center;"><b>Race 2</b></p> <p>JUST COPIERS - MAX. 6 DOGS          7:18 pm          450m          Maiden</p>	<p>Due to continuing rainfall, Stewards walked the track prior to this race and were entirely satisfied that the track was suitable for racing.</p> <p>During the running of this race, it became evident that a greyhound was carrying the 3 rug when there was no such number scheduled to compete in the race. After some identification checks were carried out, it was established that Bush Mate, which was drawn in box 4, had worn the incorrect race rug in the event. However so, after taking evidence from the Starter Mr. R. Phillips, Trainer Mr. D. Fleming, Steward Mr. J. Rea and the Parade Official before the All Clear was given, it further materialised that Bush Mate had in fact also started from the incorrect box (3) instead of (4). Therefore, as the race did not occur as advertised, that betting was offered and occurred on a set of facts and circumstances that did not eventuate and that the race was not conducted in accordance with the box draw (GAR 22), the Stewards declared the event a No Race pursuant to GAR 56 (1). All bets were to be refunded. Stewards ordered all weights to be removed from the weight cards of the greyhounds.</p> <p>Stewards opened an inquiry into the circumstances surrounding Bush Mate starting from the incorrect box and wearing the incorrect race rug. After taking evidence from several persons, the matter was adjourned to a date to be fixed. The matter was also referred to the Chief Steward who will be conducting an internal investigation into this matter.</p> <p>A sample was taken from Dyna Darius.</p>
-----------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

<p style="text-align: center;"><b>Race 3</b></p> <p>BOTTLE-O - MAX. 6 DOGS          7:38 pm          450m          Maiden</p>	<p>Dirty Boston galloped on Aussie Muscle approaching the first turn, checking both greyhounds. Dyna Turner, Dyna Joanie and Dyna Ukana collided on the first turn, checking Dyna Joanie and Dyna Ukana. Come On Leyna checked off Dyna Joanie on the first turn. Aussie Muscle checked off Dyna Joanie in the home straight.</p> <p>A sample was taken from Dyna Turner - the winner of the event.</p> <p>Dirty Boston was vetted following the event. It was reported that the greyhound sustained hamstring injuries to left and right hindlegs, a 7 day stand down period was imposed.</p>
