Australian Cup in a Best of the Night time of 29.53. Mr Russell advised Stewards that Bago Bye Bye is one of the fastest greyhounds he has ever trained and that he recently raced in New Zealand with great success and claimed a track record in the process. Since returning to Australia, Bago Bye Bye has had some time off racing to re-acclimatise but also had some niggling injuries which has prevented him from racing for around two months. Bago Bye Bye had recently public trialled here at the Meadows well enough to give connections confidence that a strong first-up performance in the Australian Cup series was possible, if not likely. Connections supported Bago Bye Bye to win the series. A urine sample was taken for analysis.
