Meeting Comments:

GRV Stewards today finalised an inquiry into an incident that occurred on-track during a race-meeting held at the Horsham Greyhound Racing Club on Tuesday 20 November 2018. After taking evidence from GRV Steward Mr. Dan Verberne, the Horsham Starter and Licensed Trainer Mr. Frank Meyer, the Stewards issued a charge to Mr. Meyer under GAR 86 (q). The specifics of the charge were that at the Horsham Greyhound Racing Club on Tuesday 20 November 2018, Mr Frank Meyer engaged in conduct during Race 6 at the 485m boxes which is detrimental or prejudicial to the interests of greyhound racing, by swearing in a loud manner. Mr. Meyer pleaded not guilty to the charge however was found guilty and fined \$250.

In determining penalty, Stewards took into consideration Mr. Meyer's poor behaviour record with GRV, his personnel antecedence and submissions on penalty, the nature and gravity of the incident, other behaviour related cases, the need to deter other participants to act in this manner and denunciation. Specific deterrence looms large for Mr. Meyer as his record indicates recidivism and he has indicated a reluctance to change his ways. Mr Meyer was advised that changes in his behaviour are required or other, more punitive modes of penalty may be considered in the future. All participants should note that a trainer's license is a privilege, not a right and that there are consequences for poor behaviour or conduct.
