Supplementary Report:

Stewards concluded an inquiry in relation to the scratching of 'Whatta Lady' from the Geelong meeting on Tuesday the 14th of May with the trainer Mr David Graham. Mr Graham stated that he was of the belief Whatta Lady had been scratched due to injury, and that he did this through his iPhone as is his usual process. Mr Graham was then made aware by stewards on the 14th of May that the greyhound was still in the field, which resulted in its late scratching, and a 28 stand down period was imposed. After taking into account the circumstances of the case, and Mr Graham's personal circumstances, and other evidence given within the inquiry, stewards lifted the 28 day stand down period imposed on the greyhound, and fined Mr Graham \$250, which was wholly suspended for a period of 12 months.
