Meeting Comments: The Stewards spoke to Trainer Mrs Andrea Dailly on the successful day for the kennel overall in winning 6 out of the 9 races that they had greyhounds engaged in, including winning several heats of the time honoured Warrnambool Cup. Mrs Dailly advised that there has been no changes to training practises, most greyhounds in the kennel are now approaching or are in peak condition following a short break recently, that they simply train greyhounds to win races and that they did not back any of their greyhounds today, which is normal. Whilst being unsurprised by the actual performances of the team today, expectations were not as high given the overall high quality of other kennels and greyhounds engaged here today. The Stewards note Mrs Dailly's advice and highlight that today, all race-winners were sampled.
