Stewards delayed the announcement of the All Clear for this event after the lure was not immediately activated following the boxing of all greyhounds and the Starter's signal. After viewing all the available race footage and acting on their own observations made from the Starting Boxes and Main Tower, Stewards were of the opinion that the circumstances did not warrant a 'No Race' and gave the All Clear on the numbers '2-1-8-4'. Stewards were of the opinion that no greyhound had been materially prejudiced nor prevented from participating on equal terms by the delay in activating the lure. Prior to the running of the next event, Stewards also spoke with the Lure Driver and were satisfied that the delay in activating the lure was a result of human error as opposed to any mechanical fault with the lure. Stewards have referred this incident for internal review.

Kinimakatka, Sailor's Girl and Pai Gow Poker were quick to begin.
