Common Step was severely checked soon after the start and was unable to complete the course. Due to Common Step being unsecured in the home straight, and in the interest of safety for all runners, participants and staff, the decision was made to allow the remaining greyhounds to catch the lure on the turn out of the back straight. Stewards held the All Clear and subsequently declared the Event a No Race, pursuant to GAR 110. All bets are to be refunded. The weights recorded for the greyhounds are void and do not count for the purposes of the weight rule at the greyhounds' next start. The event was then abandoned, with prizemoney to be split evenly between the greyhounds which competed. The Stewards made no orders in accordance with GAR 111(2)(a). As such, the Stewards conducted a random public ballot to determine the two greyhounds to participate in the final of the Group 2 Laurels Classic on 14 December 2023, in accordance with GAR 111(2)(b).
