A pre-race sample was taken from Hard Press.

Kingsville Flyer was slow to begin.

Stewards conferred with the judges regarding the margin and finishing times for 1st and 2nd place between Blue Intention and Hard Press. A clear margin of a nose was visible in the photo finish image with the actual finish time for Blue Intention being 29.8737 compared to 29.8742 for Hard Press. However, as Fasttrack is limited to three decimal places, both times were automatically rounded to 29.874 and as such no margin is displayed in Fasttrack.
