<b>Race 12</b> MILLERS MUZZLES VETERANS (200+ RANK) 10:57 pm 460m S/E Veteran	<p>A pre-race sample was taken from Gypsy Yankee.</p> <p>El Cazador, Tinker Pat and Tinker Charles were slow to begin.</p> <p>Tinker Charles ( faltered and fell approaching the first turn), underwent a post–race veterinary examination and was found to have a fractured right hock . A 90 day stand down period was imposed.</p> <p>Meeting Comments:</p> <p>Trainer Mr. Keith Lloyd presented Sonic Sonny to Stewards at Geelong today after the weight recorded at the greyhound's first start at Geelong on 12/1/2024 appeared to be erroneously recorded. As this was Sonic Sonny's first start, that matter could only be resolved satisfactorily by checking the greyhound's actual weight, as no history of recorded weights was available. After being identified and weighed on–site, it was established that the weight recorded at the greyhound's first start could not have been correct, and it would be entirely unreasonable to not rectify the matter. Under the provisions of GAR 100(1), the Stewards deemed it necessary to make such order that 34.1kg will be officially recorded as the correct weight at Sonic Sonny first start.</p>
